New Year, New Board

The Friends of A1A held our annual meeting in January 2020, electing a new executive committee.

President Marge Rooyackers presented the 2019 Volunteer of the Year Award to outgoing President Bill McClure for a decade of service to the organization.

Friends of A1A to Apply for All-American Road Designation

With two decades of service to the community in St. Johns and Flagler counties, volunteers for the Friends of A1A have worked diligently to protect, preserve, promote and enhance the A1A Scenic & Historic Coastal Byway.

Currently designated as Florida Scenic Highways and a National Scenic Byway, we are pleased to announce the Friends of A1A are seeking All-American Road designation.

The highest designation in the America's Byway collection under the Federal Highway Administration, a successful designation would add the second All-American Road to Florida's collection.

We appreciate your support and are proud to showcase the intrinsic qualities that make our A1A Byway communities so memorable!
